How To Use The JW Library App-Windows 10

This is a Multi-Page Document showing the many Features of the JW Library App for Windows 10. It also documents many of the settings and a “How To” for getting around in the app. I’m sure this document doesn’t show everything; however, it is quite detailed and with pictures. Also, this app updates and changes from time to time so, ask for a new updated copy if yours is different than shown here. You may also need to update your version of JW Library App, which is covered in this document.

If after reading this Document you still have questions, please let me know so I can improve this Book. Also, if you find any errors, please let me know. Thanks.

Enjoy!

App Updates
You will receive updates from time to time for your JW Library App. This is because the App gets better with new features. Also because of glitches in the App. Usually the App will update automatically, but you can check to make sure.

Here are the steps to make sure your App is up to date.

Step 1: Locate the Microsoft Store App pictured below. May be on task bar (1) or on Start (2).
Step 2: Locate the Three Dots (menu icon) at the top right of the App, this access the menu, pictured below. Note: If you need to install the JW App, this is the place, type JW in the Search Bar to find it.
Step 3: Once you’ve clicked or touched on the **Three Dots (Menu Icon)** you will see “Downloads and updates”, pictured below, click or touch it.

Getting Started
Once you open the App you will want to make sure that it checks for New or Updated Documents and Media. Look for the Dots running across the top of the App, as shown in the picture below (1). Also shown in picture: (2) Favorites (3) Teaching Toolbox (4) What’s New (5) Frequently Used (6) Daily Text. Also, you can Manually Check for New Items here (7). Notice the Pending Update Icon (8). Notice also the Navigation Icons on the left. Important: Don’t Try to do Anything Until it has Finished Checking for Updates!

This page is known as the “Home Page”. No matter where you are in the App you can always get back here by clicking or touching on the “Home Icon” at the top left, Home Icon shown below.
How To Use The JW Library App-Windows 10

When you click or touch the Menu Icon on the top left, the Slid-Out Menu will appear so that you can read the Listed Choices, or you can click or touch directly on the Icon of your choice, as shown below.

Besides the choices already mentioned on the “Home” page, located at the bottom are shortcuts that take you to the JW.ORG Website, JW Broadcasting, Watchtower Online Library, JW.ORG Donations, and The Online Help, as shown below.
History
The “History Icon” is located on the top right of the “Home Page” and in other areas. It can come in handy if you want to get back to something you were already reading. No matter where you are in the App, if you click or touch on a reference in the History you will be taken there immediately.
When you click or touch the History Icon a dropdown menu appears showing your History (1) and a way to clear it (2), as shown below.
How To Use The JW Library App-Windows 10

Settings
There are some Settings you may need to access. Below shows you how to access these Settings, they are located at the bottom left.

If you have Two Screens and you want the Videos and Pictures to Show on your Extended Screen, make sure this Button is set to On, as seen below.
How To Use The JW Library App-Windows 10

The Other Settings are as follows: (1) allows you to Change the Default Location to store your Videos, (2) allows you to Change the Default Location to store your Music, (3) shows the App Version, and (4) allows you to Download or Stream over your Cellular Account (if your mobile device has this option). All seen below.
Text Settings
If you want to Change the Text Size, click or touch the Text Settings Icon at the top right, as shown below.

Just click and hold, or touch and hold the Slider and Move it to the Left for Smaller Text, or to the Right for Larger Text, as shown below.

The Bible
The Next choice on the menu is “The Bible”. Probably the most used part of the App. One thing to keep in mind, since the addition of the “New Study Bible”, you will need to Check for Updates of newly added Bible Books. Not all the Bible Books are included in the New Study Bible, yet. Therefore, as they add them you will need to update the Bible to see, use, and hear them. This will be covered in this part. First, let’s access the Bible, shown in the picture below.

Here is the Bible Icon:
How To Use The JW Library App-Windows 10

After you click or touch the Bible or Bible Icon, it will open to the Bible. However, if this is the first time you have accessed the Bible you will need to pick and download a Translation to get started. I suggest that you pick the “Study Edition”. You can also install other Translations to use for comparison, as well as, other Languages. After you have installed the Bible and want to install other Translations, other Languages, or check for updates, there is only one way to do it, click or touch the “Language Icon”, at the top right of your screen, as shown below.

Here is the Language Icon, use it anywhere to install other Languages for The Bible, Documents, and Media.
When you click or touch the Language Icon a dropdown menu will appear with the other Translations, languages, and updates, as shown below. (1) Shows this Translation is installed. (2) Shows that this Translation is NOT installed, you must click or touch it if you want it installed. (3) Shows that this Translation is installed, but in need of an update. Any Translations with this icon must be updated. Click or touch them to start the update. If it asks, “Later or Download”, choose Download. (4) Shows other Languages NOT installed. When you are done, click or touch the “Done” button (5) shown below.
You can also hear the New Study Bible by clicking or touching the “Play Button” at the top right. However, only the finished Bible Books of the Study Edition can be played.

You will see a Streaming Task Bar at the bottom of the screen now. This allows you to pause (1), rewind (2), fast forward (3), and close (4) the streaming Bible Book. This also applies to any Document you may want to listen to, as shown below.
How To Use The JW Library App—Windows 10

When you click or touch on a verse number (1) a Pop-Up Menu (2) will appear.

According to Matthew

1 Abraham became father to Isaac;

2 Isaac became father to Jacob;

3 Jacob became father to Judah and his brothers;

4 Judah became father to Pe’rez and Ze’rah by Ta’mar;

If you click or touch the Bible Icon, as shown below, it will bring up your other Translations.
Reminders
Here are some reminders when using the Bible. (1) shows your other Translations, (2) allows you to Customize your Translation order, (3) takes you back one verse, (4) moves ahead one verse, and (5) allows you to play the verse you are on.

Customize
If you choose to Customize your Translation list, click or touch the “Customize Button”, as shown above. The Customize Menu will appear allowing you to Add a Bible Book, Remove a Bible Book, or Move a Bible Book. The Picture below shows adding a Bible Translation that is already installed.
The next picture below, show how to **Remove a Translation** from your list. This does **NOT** remove it from the App only from the list.

To download more translations, go to the Bible and tap the Languages button.

Notice that the Page Numbers appear in small type, as shown below.

The more time you spend reading the Bible, the greater will be your satisfaction as you grow in knowledge of God’s will for you. But the delight will go far beyond that. When your reading provides you the help you need to deal wisely with problems, you will feel like the psalmist who said: “Your reminders are wonderful. That is why my soul has observed them.” (Ps. 119:129) You too will rejoice as you discern from the Scriptures principles that help to mold your thinking and your desires in a godly way.—Isa. 55:8, 9.

The Bible provides moral guidance that shields us from harm and shows us the right way. As we read it, we sense that Jehovah is a Father who knows what problems will result when we give in to imperfect fleshly desires. He does not want us to suffer the terrible consequences that will inevitably come from flouting his high moral standards. He cares about us and wants us to enjoy the best way of life. Our reading of his Word helps us to appreciate more fully what a blessing it is to have him as our God and heavenly Father.

Read the Bible Daily

The psalmist said of the man who reads God’s Word daily: “Everything he does will succeed.” (Ps. 1:3) Yes, despite our imperfections, despite our living in Satan’s wicked system of things, and despite the Devil’s efforts to devour us, regular reading and

JESUS CHRIST

The name and title of the Son of God from the time of his anointing while on earth

The name Jesus (Gr., Ἰησοῦς) corresponds to the Hebrew name Jeshua (or, in fuller Jehoshua), meaning “Jehovah Is Salvation.” The name itself was not unusual, many being so named in that period. For this reason persons often added further identifying, saying, “Jesus the Nazarene.” (Mr 10:47; Ac 2:22) Christ is from the Greek Ἰησοῦς Christos’, equivalent of the Hebrew maalē’ach (Messiah), and means “Anointed One.” Where expression “anointed one” was properly applied to others before Jesus, such as Mo
Aaron, and David (Heb 11:24-26; Le 4:3; 8:12; 2Sa 22:51), the position, office, or sense which these were anointed only prefigured the superior position, office, and service of Jesus Christ. Jesus is therefore preeminently and uniquely “the Christ, the Son of the God.”—Mt 16:16; see CHRIST; MESSIAH.

Prehuman Existence. The person who became known as Jesus Christ did not begin here on earth. He himself spoke of his prehuman heavenly life. (Joh 3:13; 6:38, 62; 8 42, 58) John 1:1, 2 gives the heavenly name of the one who became Jesus, saying: “beginning the Word [Gr., Lo’gos] was, and the Word was with God, and the Word was god ["was divine," AT; Mo; or "of divine being," Böhmer; Stage (both German)]. This was in the beginning with God.” Since Jehovah is eternal and had no beginning (Ps Re 15:3), the Word’s being with God from “the beginning” must here refer to the

"WHEN I listened to the experiences of my friends who served in areas where there was a great need for pioneers, I longed to have that joy too," says Sylviana, a pioneer in her mid-20's. “But,” she adds, “I feared that being a need-greater was beyond my abilities.”

Can you relate to the feelings expressed by Sylviana? Do you too long to serve in a territory where more Kingdom workers are needed, but you wonder whether you will ever reach that goal? If that is the case, take heart! With Jehovah’s help, thousands of brothers and sisters have succeeded in overcoming obstacles that hindered them from expanding their ministry. To find out how Jehovah opened the way for some of them, we will visit Madagascar, the fourth largest island on earth.

Over the past ten years, more than 70 zealous publishers and pioneers from 11 countries* have come to serve in this fruitful field in Africa, where many people respect the Bible. Also, numerous local publishers have been willing to move so as to help in spreading the Kingdom message throughout this vast island territory. Let us get acquainted with some of them.
